

List of Forest Management-Related Professionals

This is a listing of forest management professionals that work in Alpena and Montmorency Counties. It is not all inclusive. Rather, only those that have asked to be placed on the list are listed. For your convenience the list is separated into categories and a concise description of services offered is provided.

Industrial Foresters

Industrial foresters are foresters that are employed by a sawmill and/or other business. Their job is to purchase standing timber.

Consulting Foresters

Consulting foresters are employed by the landowner. In most timber sales, the consultant markets the timber and oversees the harvest for a percentage of the sale value or a commission. An hourly rate can be applied as well.
