

List of Forest Management-Related Professionals

This is a listing of forest management professionals that work in Alpena and Montmorency Counties. It is not all-inclusive. Rather, only those that have asked to be placed on the list are listed. For your convenience, the list is separated into categories and a concise description of services offered is provided.

Industrial Foresters

Industrial foresters are foresters that are employed by a sawmill and/or other business. Their job is to purchase standing timber.
